ACTIVITIES

ALFARATA '85

Despite the many problems encountered by this year's staff, the 1984-85 Alfarata has managed to become a reality. Most of the staff members did their best to produce a book that the Class of 1985 can enjoy. The production of a yearbook is a difficult job and it becomes even more difficult when some members of the staff ignore their responsibilities. It was very fortunate that, with the help of a few people, the 1984-85 Alfarata could finally be published.

The Society of Physics Students draws its membership from students interested in physics or engineering. The club sponsored some short distance filed trips to tour surrounding engineering and physics related companies. The Caving Club provided instruction in caving, vertical caving and rock climbing. They also sponsored caving and climbing trips in nearby areas and also as far away as Frair's Hole in West Virginia. V-103 is the largest student organization on campus. The radio station is owned by the Board of Trustees but operated through the cooperative efforts of over 140 students.

The Campus Ministry Board is a college funded, student-governed organization which serves as the primary developer and enabler of religious programming on campus. Composed of 14 students chosen by CMB members and advised by the campus minister, this organization seeks to provide a variety of opportunities for Christian nurture, support and growth. KVASIR is Juniata's literary magazine. This publication is composed of photography, artwork, compositions, essays and short stories contributed by Juniata students. A new club this year, Juniata's Instructor's of the Future is made up of students with an interest in education. This year the club has sponsored speakers and workshops, worked with Huntingdon Headstart, implemented a tutoring program and redecorated G314.

STUDENT GOVERNMENT

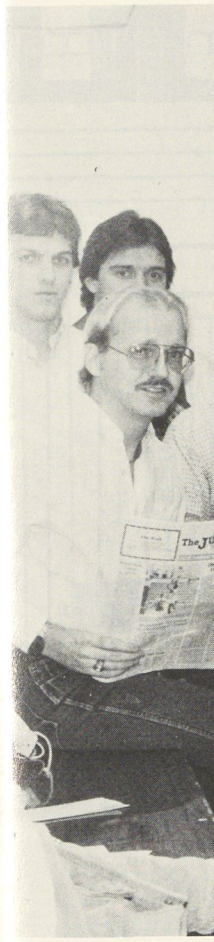

Pres. - Glen Bouder, V-Pres. Jack Thomas

The Student Government is made up of elected dorm senators and officers. Student government sponsors many activities and handles students' concerns and problems. The Social Service club's members are concerned about social welfare in Huntingdon. One of the club's very successful projects is the Big Brother/Big Sister program between Juniata students and Huntingdon elementary school students. The Juniatian is the college's weekly newspaper. The "newspaper" is produced completely by students. Members of the Honor Society are selected on the basis of academic achievement, broad cultural interest and high moral standards. The Honor Society sponsors activities to raise money for scholarships for freshmen and sophomores.

SPECIAL

EVENTS

STORMING OF THE ARCH

This year's annual initiation of freshmen took place on the traditional Wednesday evening. The festivities began with the gathering of freshmen on North Hill, while the protectors hurled the usual insults. The freshmen made five charges in all, closely watched by the referees. As always someone gets hurt beyond the typical scrapes and bruises. This year three were treated at the hospital.

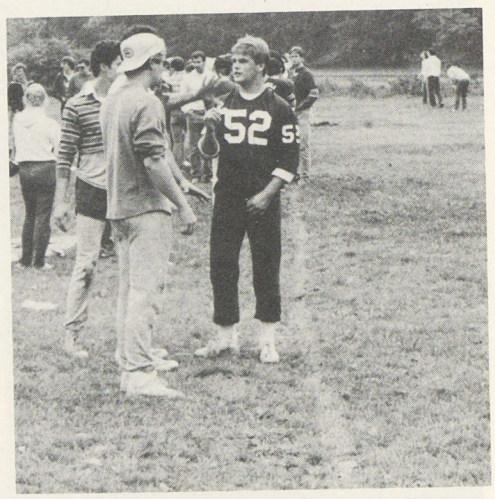

MOUNTAIN DAY

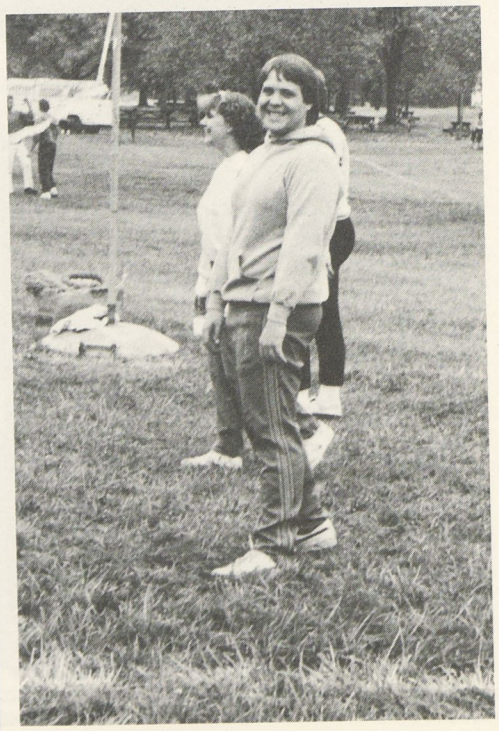

After a week of beautiful days, we had a rainy mountain day at Greenwood Furnace. Many of the days activities were stalled because of the rain, but they managed to work in the tug-a-war, football, and some volleyball. Professor Heberling offered tours of the furnace in addition to the days regular activities.

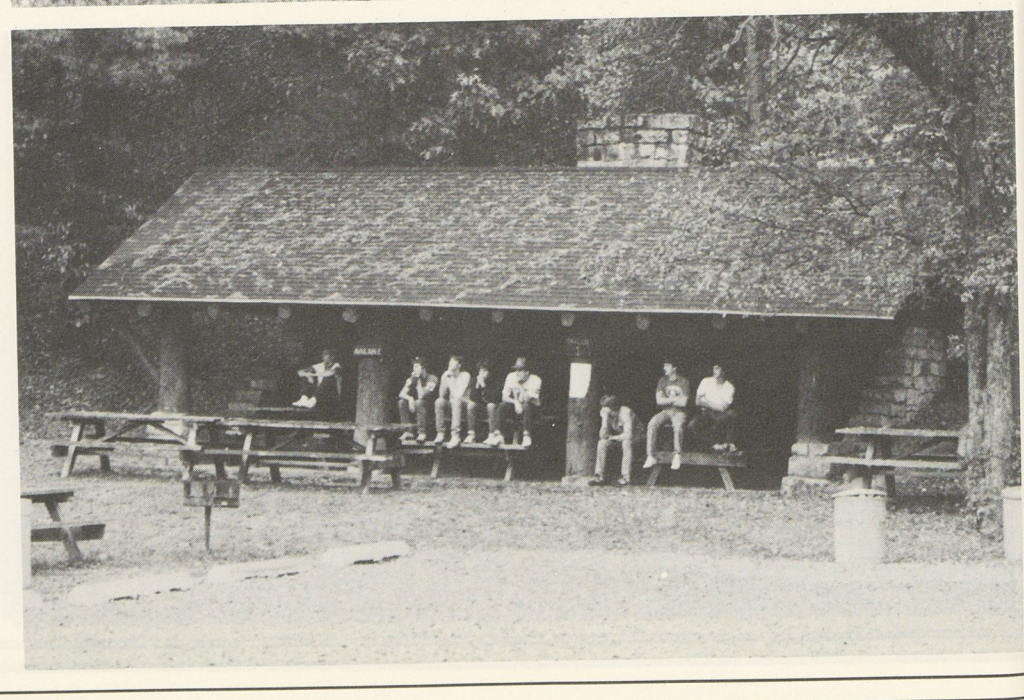

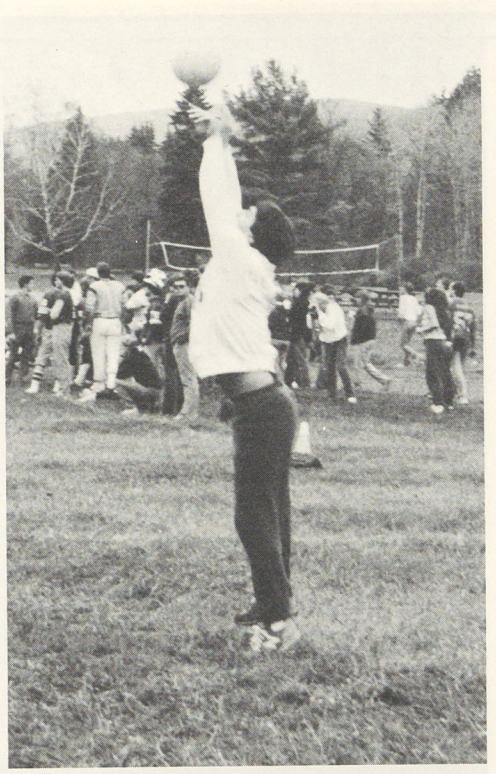

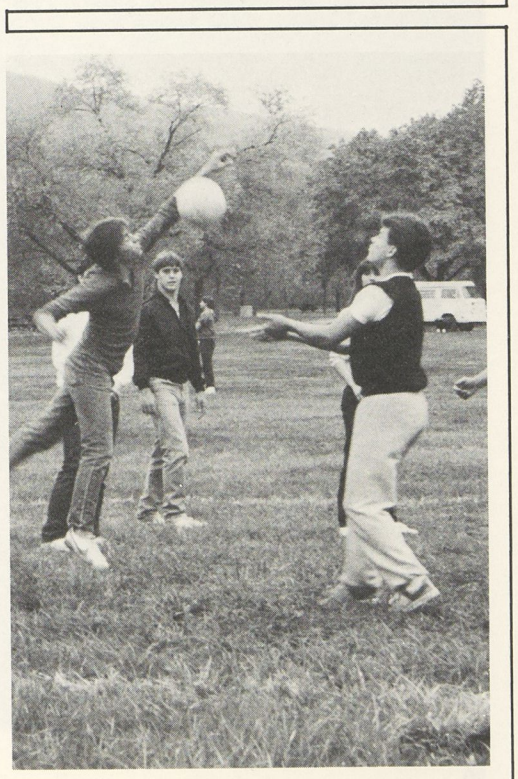

HOMECOMING

This year's homecoming festivitites were kicked off with an Almost Anything Goes competition featuring the famed tricycle race. The theme "Around the World" was highlighted with floats and the "Jim Corr Irish Band" coffeehouse. The cheerleaders added a spark with the pep rally held in Detweiler Plaza, after which the Juniata College football team beat Western Maryland, 10-0, in an exciting match. At halftime, Peggy Evans was announced Homecoming Queen. The weekend was rounded out with a dance sponsored by Centerboard featuring the band "Tiffany."

PARENT'S WEEKEND

This year's theme, "Growing Together into the Future," was epitomized in the various events organized by Virginia Krall and her committee. The weekend offered concerts, a coffeehouse, lectures by distinguished faculty, coffee with the profs, a dance, artists on the hill, cruises on Raystown Lake, a football game, receptions in the residence halls, and the weekend finished out with the annual Parent's Council Breakfast and the All-Campus Worship Service.

HALLOWEEN DINNER

This year's Halloween dinner was once again a success with student and food service participation. There were a wide array of costumes that were evaluated as to their unique merits by a distinguished panel of judges of faculty and administration. In addition to the costume judging there was also a pumpkin carving competition. The winners of the contests were awarded a delicious prime rib dinner as a preview to the dining service, the "Inner Circle."

MADRIGAL

Madrigal dinner was held the evening of December 14, 1984, but the anticipation of this special event began to mount the evening before table sign-ups. Juniata students camped out, to be sure of a good table beginning around 11 p.m. the night before in expectation of the fine food, entertainment and magic of the Madrigal dinner. Many people took a part in organizing the event, but most importantly Kasey Coulter, chairperson of the Madrigal dinner committee. Servers included President Fred Binder, Dean Arnold Tilden, and numerous other members of the faculty, administration, and staff. The evening was topped off by a Centerboard dance featuring Rouge.

STEVE LANDESBERG

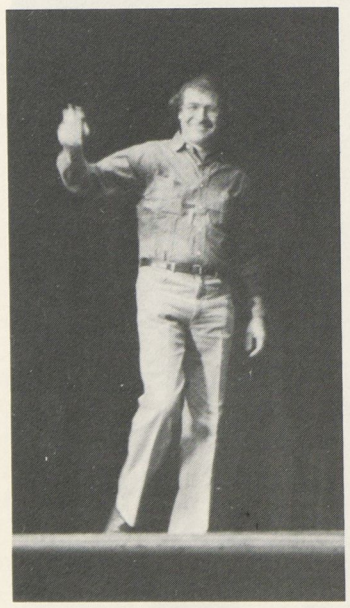

Steve Landesberg packed Oller Hall on his return performance to Juniata College. He offered the audience a wide range of humor ranging from oneliners about the area of Huntington to his own life experiences. Better known to most as Sgt. Arthur Dietrich of Barney Miller, he has taken to the road after seven and a half years in a series to the delight of his audiences.

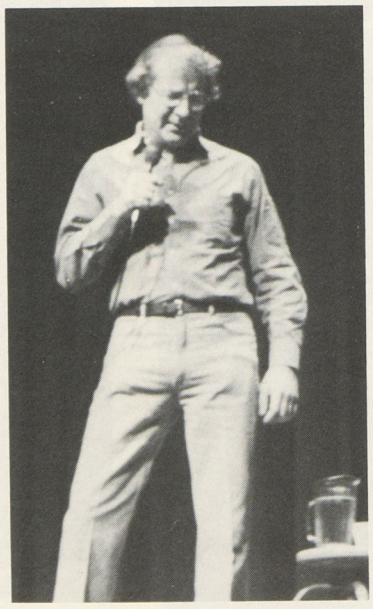

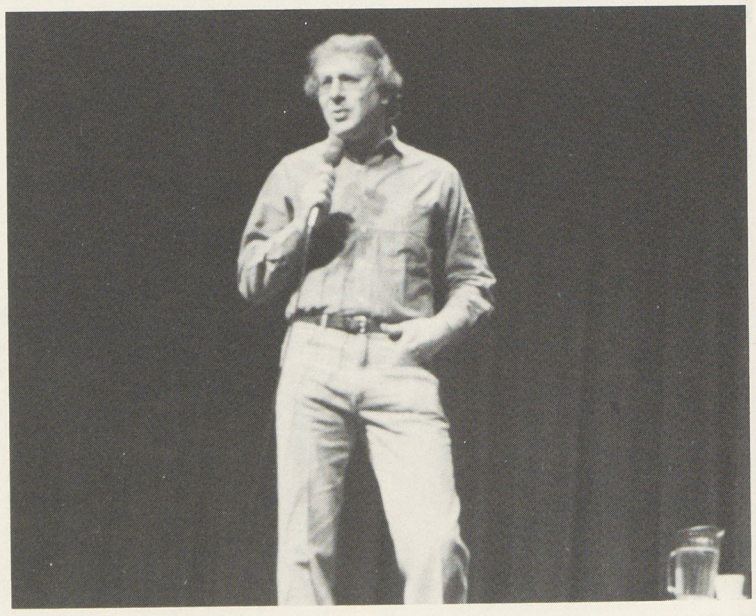

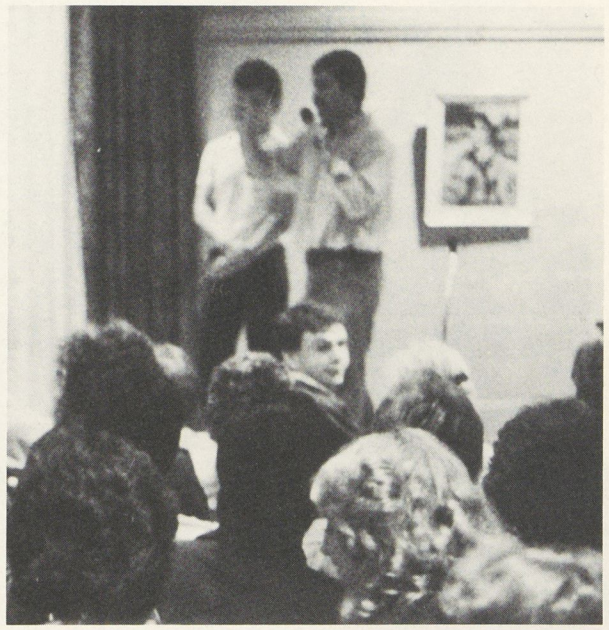

SLAVE AUCTION

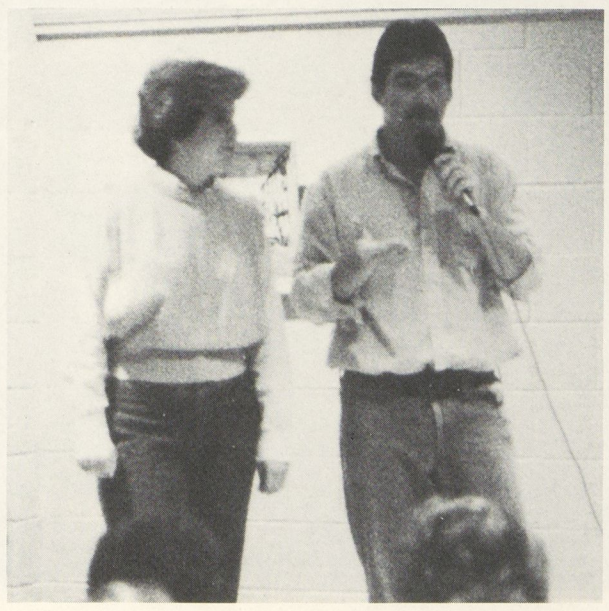

This year's slave auction was a huge success for the freshman class. Bidding was high as most people started at a dollar as opposed to the penny and nickel prices of previous years. Some of the freshmen even went for up to twenty and thirty dollars. The master of ceremonies, Chris Coller, once again kept the evening going with important questions for interested purchasers. One brave freshman even bared his soul in addition to other things, to increase his value. The night was once again a success for the freshmen and the slavebuyers too.

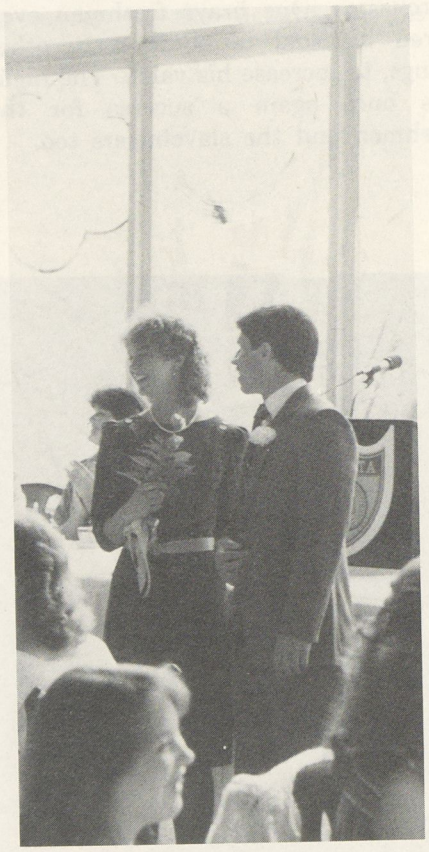

MAY DAY

With Spring in the air, the ladies of Juniata awake early, dress in their best and wait in Baker Refractory for a breakfast that is served by the Juniata men.

Along with these festivities comes the announcement of the 1984-85 man and woman of the year. This year it is Miss Lisa Greiss and Mr. Doug Fleming.

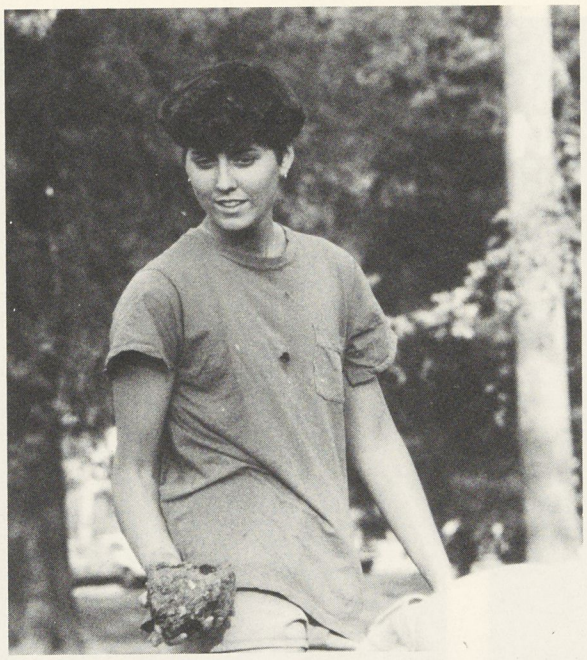

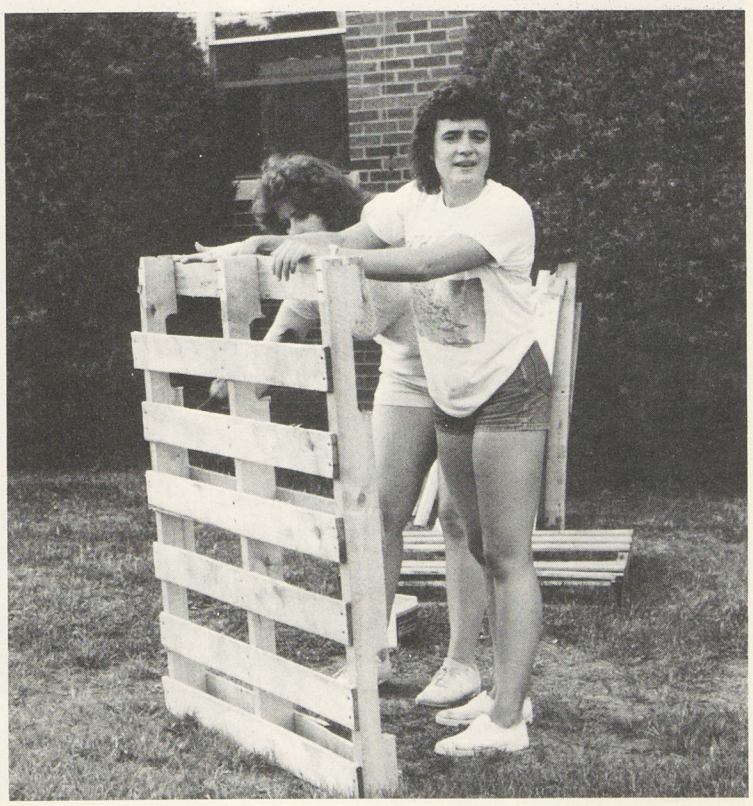

WOMEN OF JUNIATA

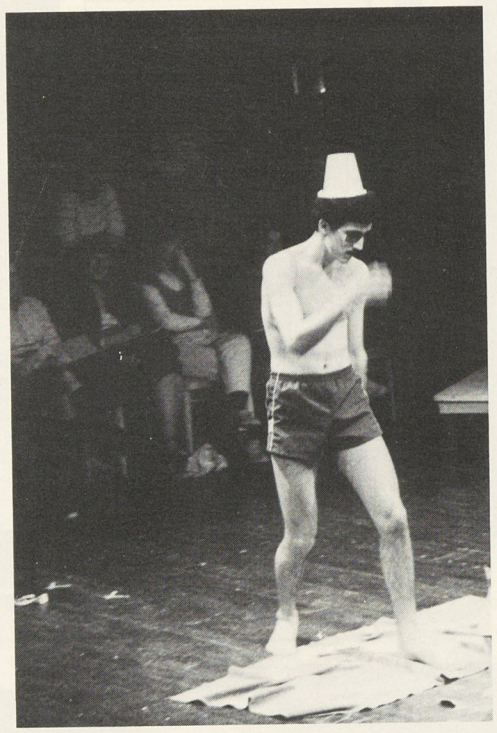

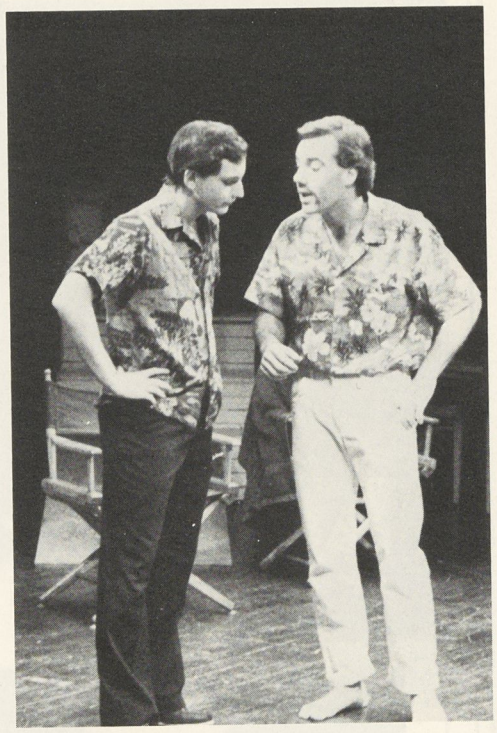

THE WINTER ONE ACTS

The Winter One Acts were once again a success with this years line-up including two comedies and a mystery. "The Apollo of Bellac" by Maurice Valency and "The Case of the Crushed Petunias" by Tennessee Williams kept the audience laughing, while Agatha Cristie's mystery, "Afternoon at the Seaside" kept their audience at the edge of their seats.

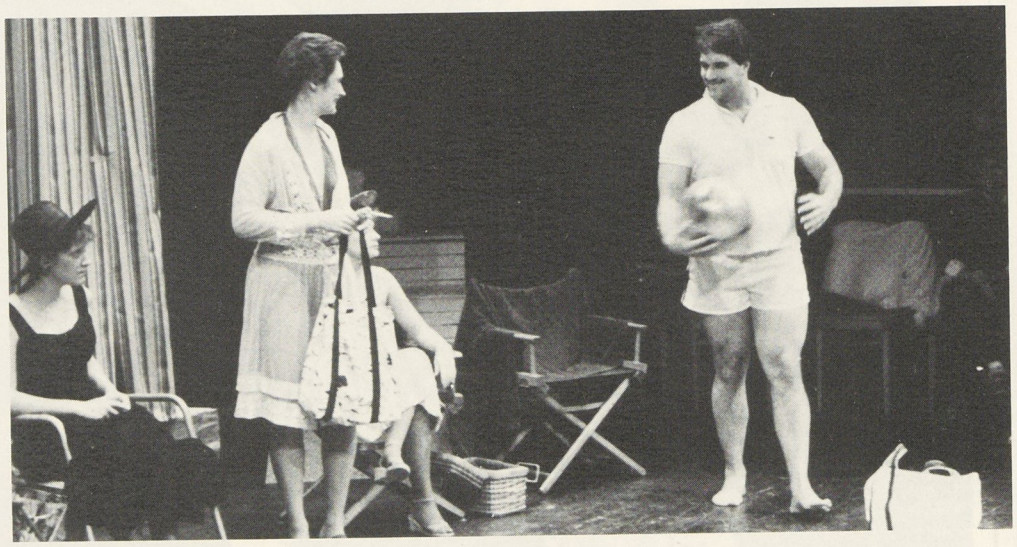

The plays are performed and directed by students, and the stage work is done by Mrs. Doris P. Goehring's play production class. Mrs. Goehring, assistant professor of speech and theater, lends her expertise every year by supervising all phases of the productions.

ALL CLASS NIGHT

The major theme of the 1985 All Class night was comic strips. The master of ceremonies was Mr. Bob Gielow, Juniata's Assistant Director of Admissions. First Place was captured by the Juniors, the Class of 1986.

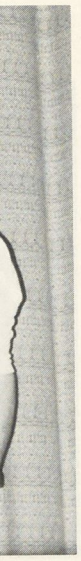

88

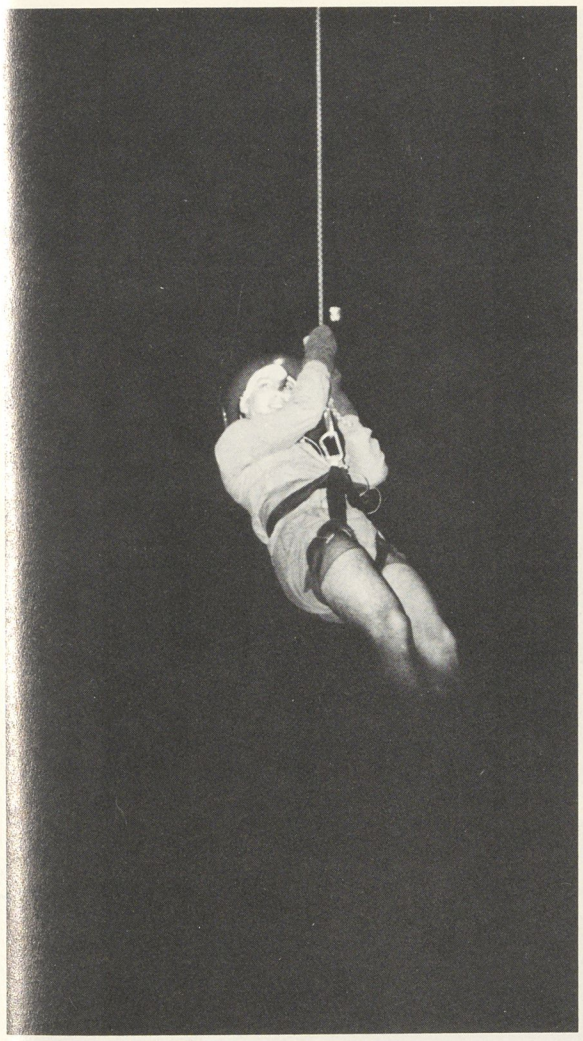

. The Freshmen class performed "The Little Rascals." Their underlying theme was based on the Freshmen surpassing the upperclassmen and administration. They succeeded in both by first using Darla and the girls to distract the upperclassmen during the Storming of the Arch. Later, they kidnapped President Binder and would only return him if their demands were met.

The Sophomores' theme was the "Flintstones" with the main character as Fred Binderstone. There is a search for a new president because Binderstone was found with the school's money. Barney Tilden thought he would become president, but it was not to be. To everyone's surprise, Millie received the honor.

87

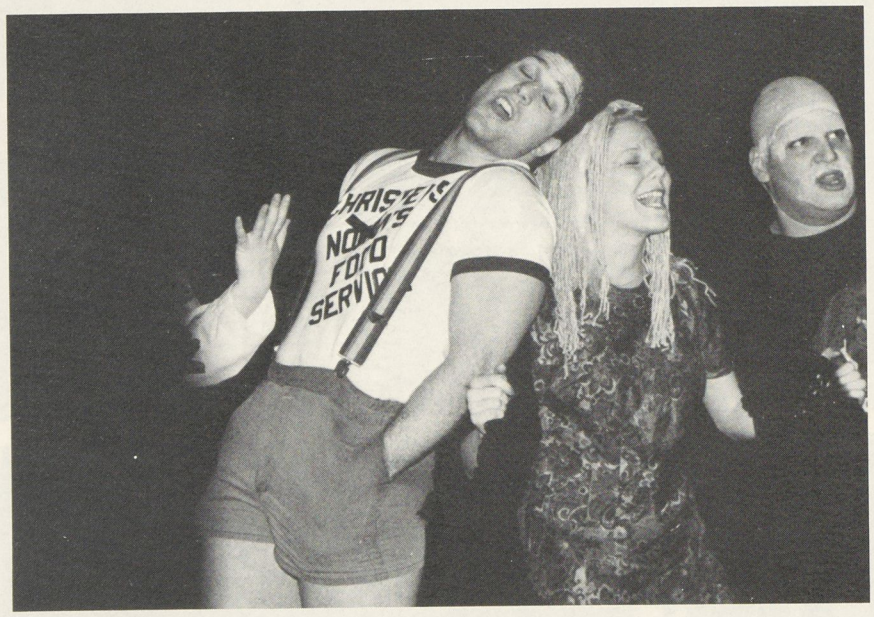

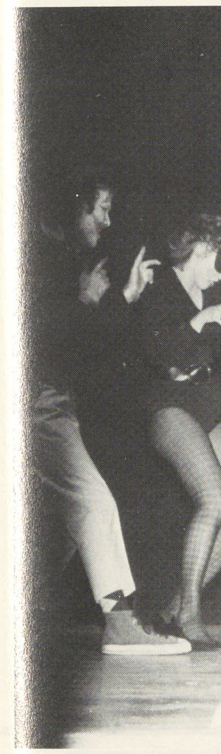

ALL NIGHT CLASS

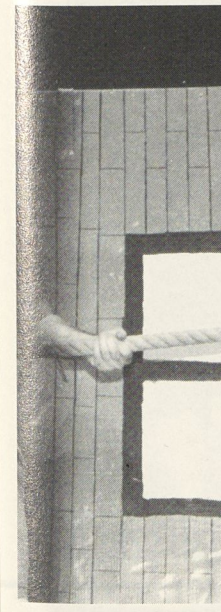

The Juniors, who captured first place, used a two-fold theme. The Adams Family hired Scooby to capture the ghost that was haunting the school since the president died. As it turned out, Arnie Tilden was haunting the college. Since Arnie did not become president, he thought he would scare the students away from Juniata into his newly created school.

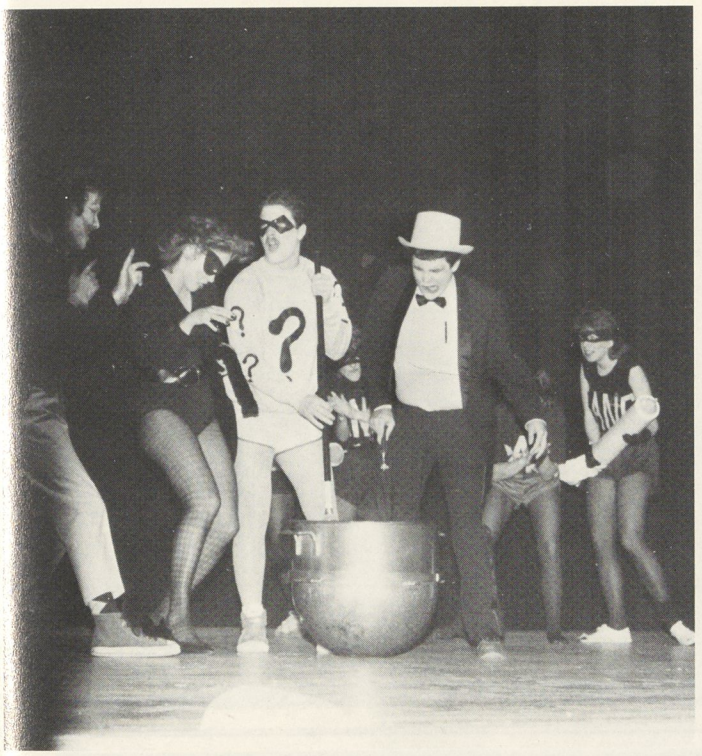

86

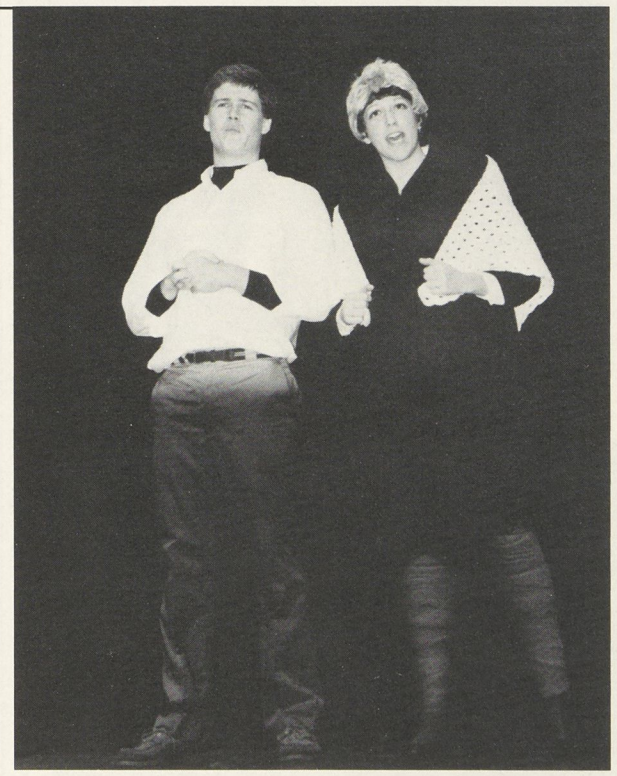

85

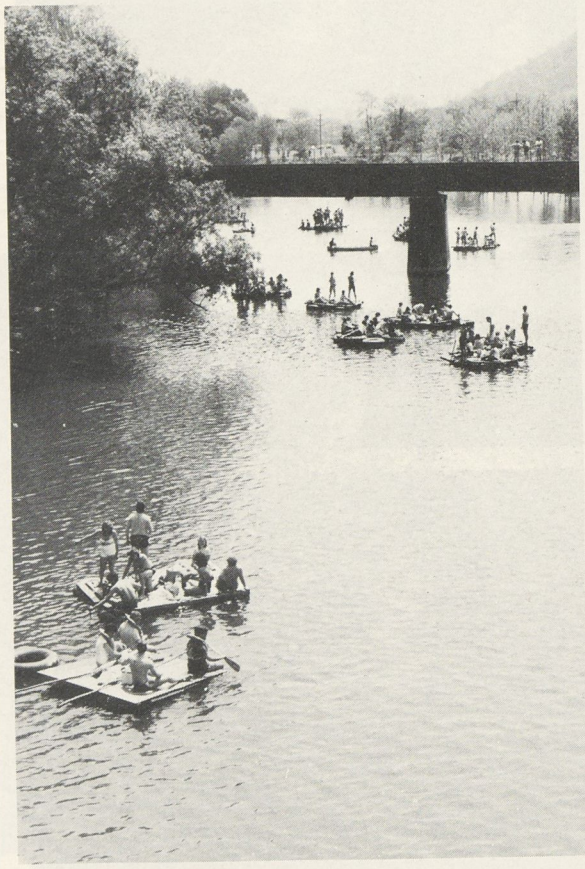

The class of 1985 - the Seniors - did their version of the superheroes. The professors hired the Bat villians to make a potion to persuade the students to study. Luckily, the lead character Batman caught on and was able to save the students from nerdism.

A CASUAL LOOK AT SPECIAL EVENTS

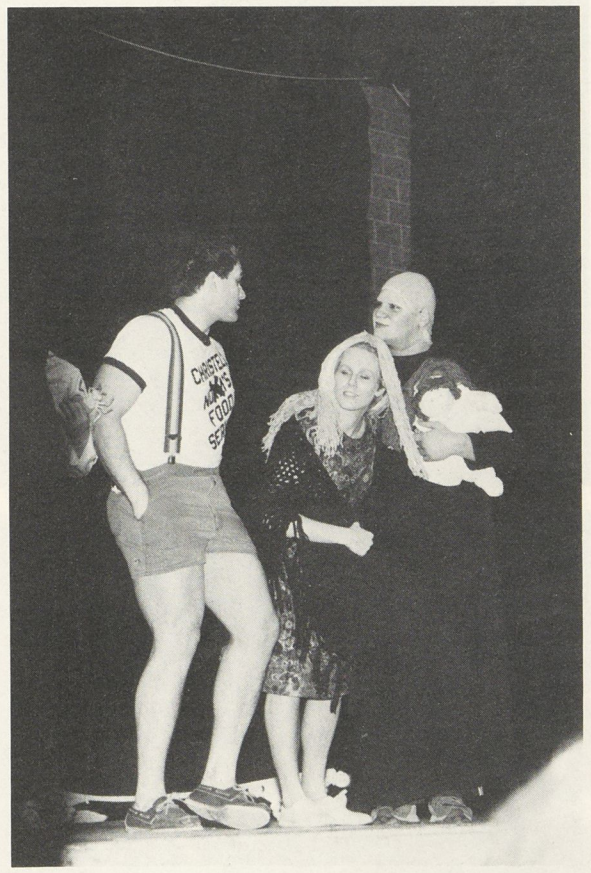

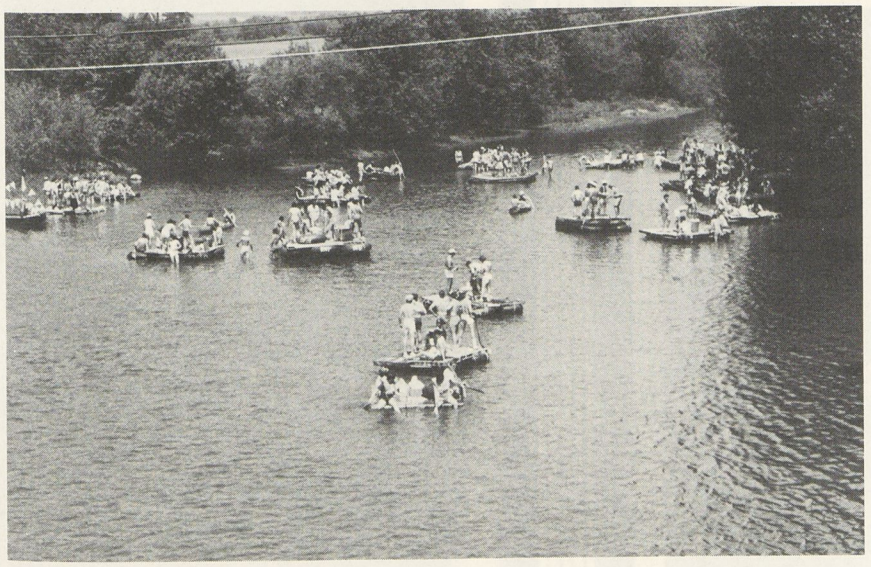

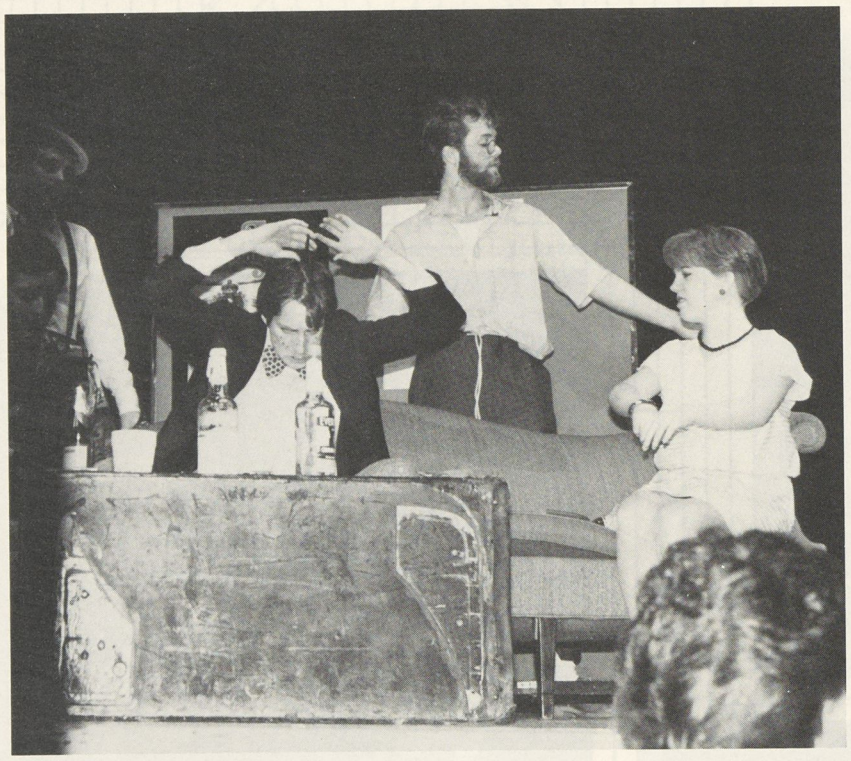

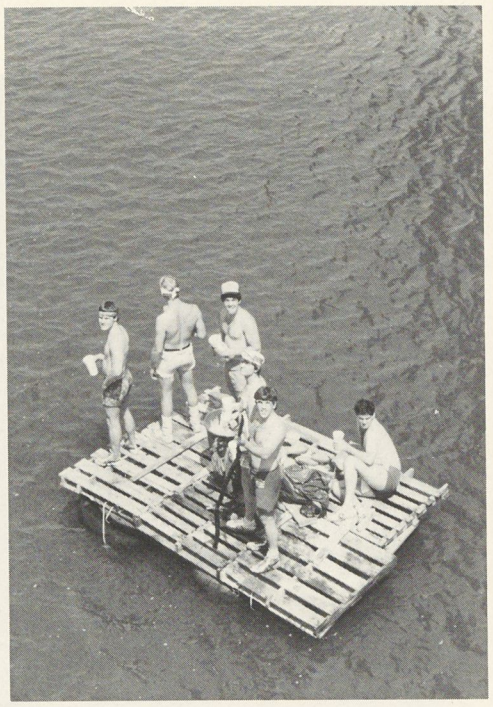

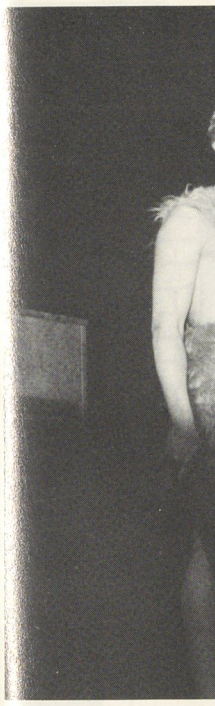

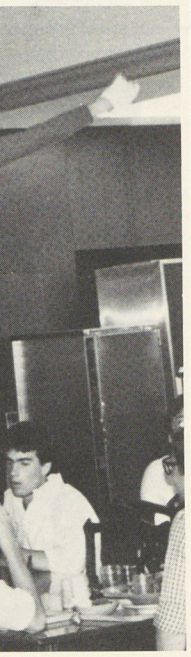

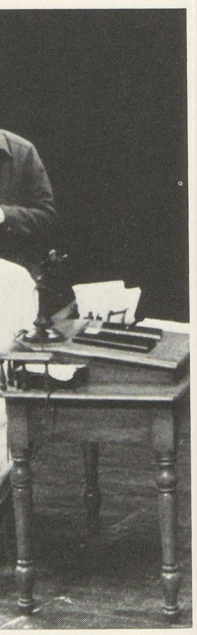

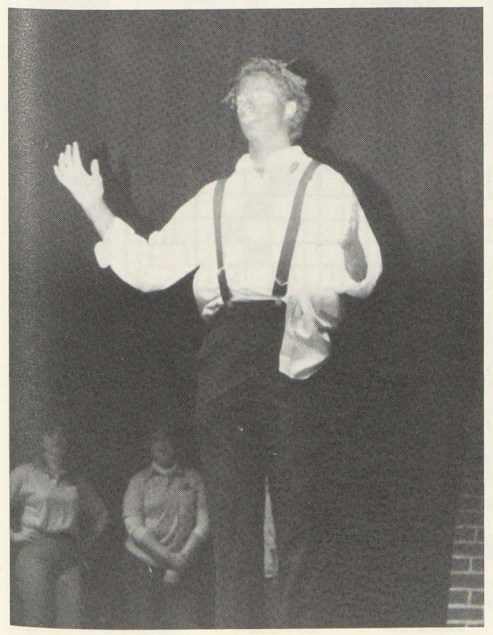

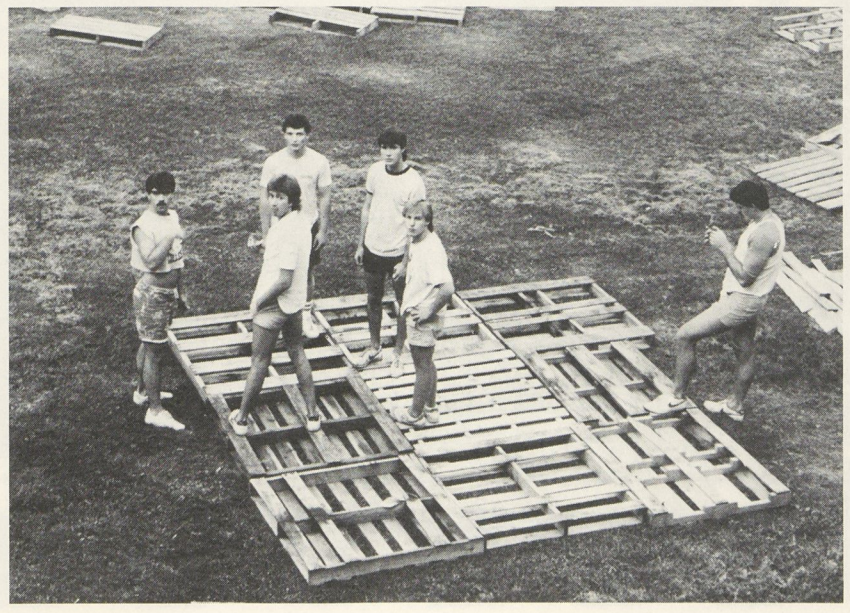

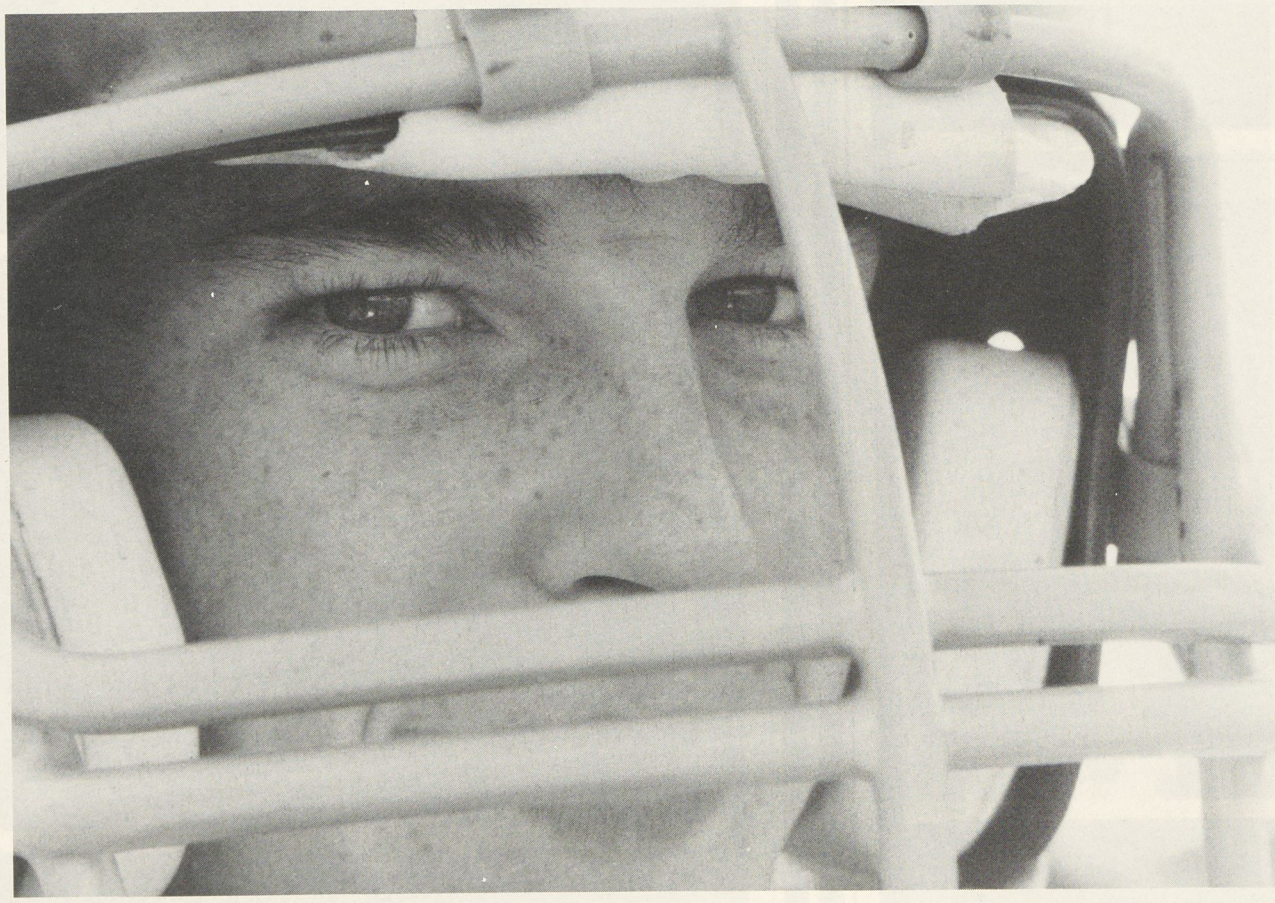

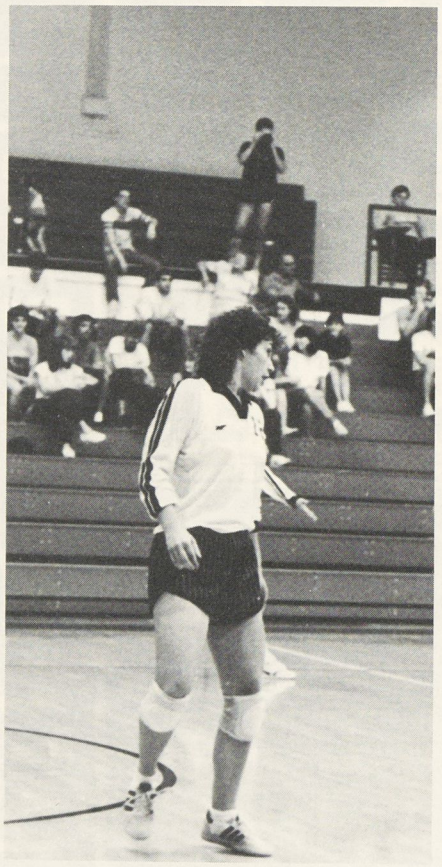

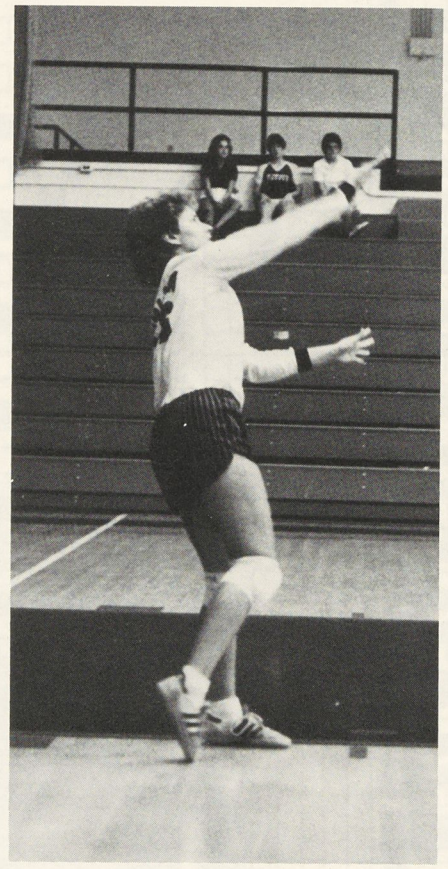

SPORTS

VOLLEYBALL

The women's volleyball team provided the Juniata fans with another season of top-ranked volleyball this fall. The Indians completed their season with an impressive sixth place national ranking.

The team under the leadership of Coach Larry Bock and assistant Coach Sue Barker saw a great deal of success throughout the season, despite a relatively young team. The Indians upset many Division I and II schools on the road to a national play-off berth against MIT. In front of a packed house, the Indians lost to the impressive MIT team, but not before leaving their fans with many memorable moments.

FOOTBALL

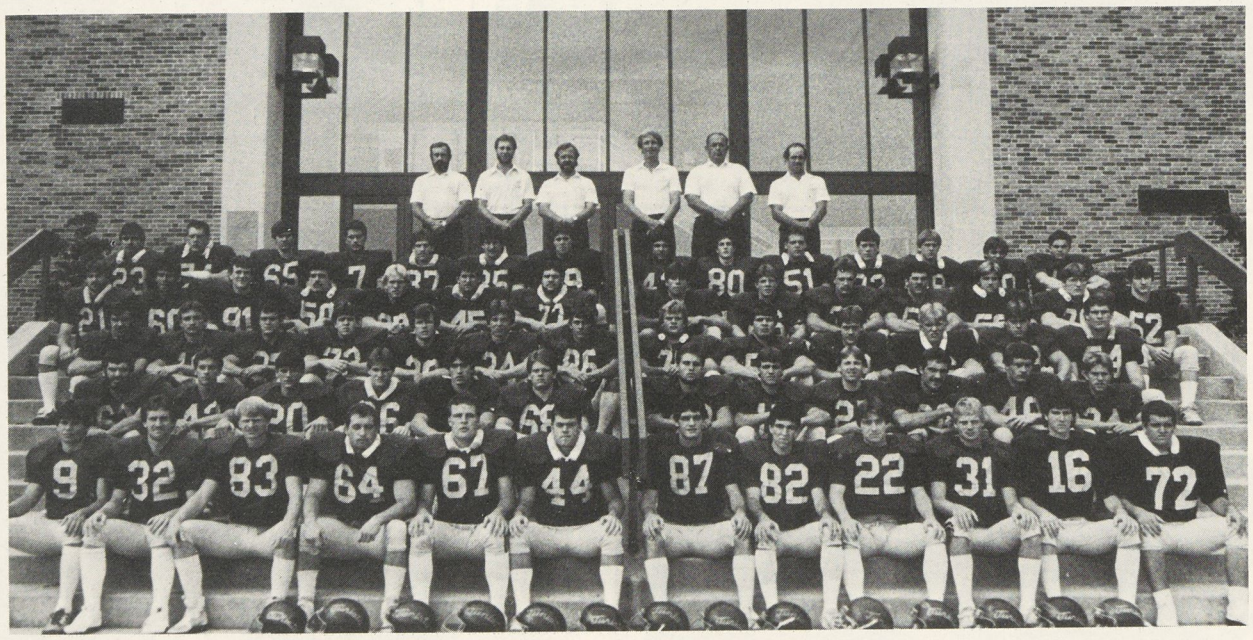

Plagued with injuries, the 1984 Juniata football team completed their season with a disappointing 3-6-1 record. Individual efforts provided the fans with bright spots in the difficult season that the Indians faced.

The Indian offense was sparked by an impressive air attack. Sophomore QB Mike Culver set new passing records for the Indians. Senior, Dave Murphy broke most of the reception records for Juniata, while seniors Carl Fekula and George Plesce proved to be valuable members of the air attack.

With the return of a number of young players and the leadership of Mike Culver and defensive standout, Gino Perri, Coach Ash hopes to improve the Indians record for the '85 season.

FIELD HOCKEY

The women's field hockey team had a difficult time finding the goal this year, finishing their season with a 1-9-2 record. The team suffered from the lack of a sizeable bench as well as the loss of a number of veterans to graduation. Outstanding efforts were turned in by Sue Occiano, Lisa Wilson, Polly Oliver, Terese Libert and Lisa DiMarzio.

The 1984 Juniata Soccer team played to a tough 3-12 season. The Indians suffered from a very inexperienced team in the '84 season. Under the direction of Coach Klaus Jaeger and the leadership of captain, Sean Ruth, the team was able to pull together toward the end of the season to play as a unit, while still having difficulty finding the goal.

The Indians expect to have a much stronger team next year with the entire team returning.

CROSS COUNTRY

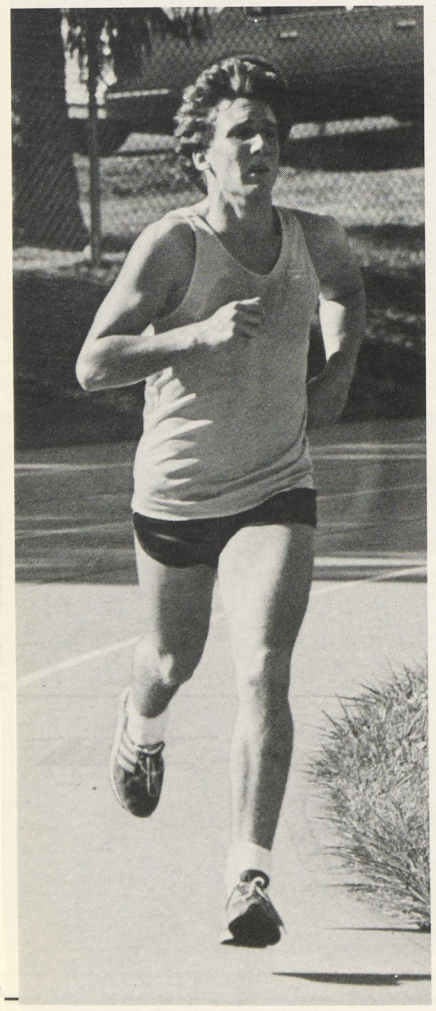

Men's Team

The men's cross country team completed an 7-7 record in the 1984 season. Led by Coach Brown, the well-balanced team completed what was considered a very respectable season.

The Indian attack was evenly distributed throughout the squad. Outstanding performances by Mark Royer, Jim Gandy, Dave Dann, Mark Kearns were complimented by the remaining members of the team.

WOMEN'S TEAM

The women's cross country team finished the 1984 season with a very impressive 12-5 record. Under first year Coach Irene Chamberlin, the women surprised many of their opponents with the young talent squad. The Indians expect to have an experienced team returning next year with Co-captains Terri Bollman and Chris Schleiden to be the only members of the 1984 team who will not be returning.

WOMEN'S BASKETBALL

The Women's Basketball team finished the season with an impressive 15-7 record. The lady Indians were ranked sixth in the region, missing a bid for Nationals by one team.

The season highlight was the upset of 6th ranked (nationally) Elizabethtown 85-50. Coach Nancy Latimore was also named MAC coach of the year.

The 1984-85 Men's Basketball Team

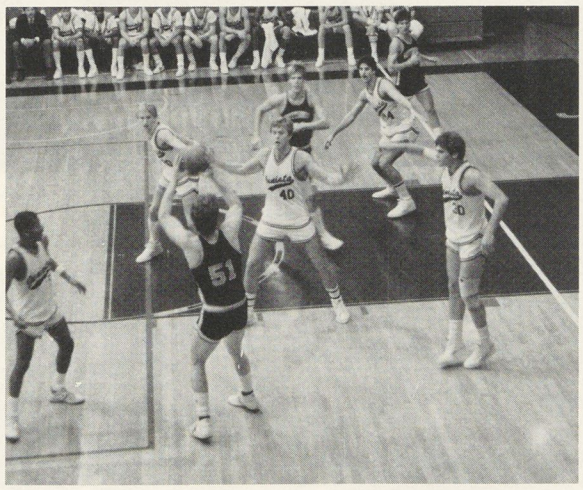

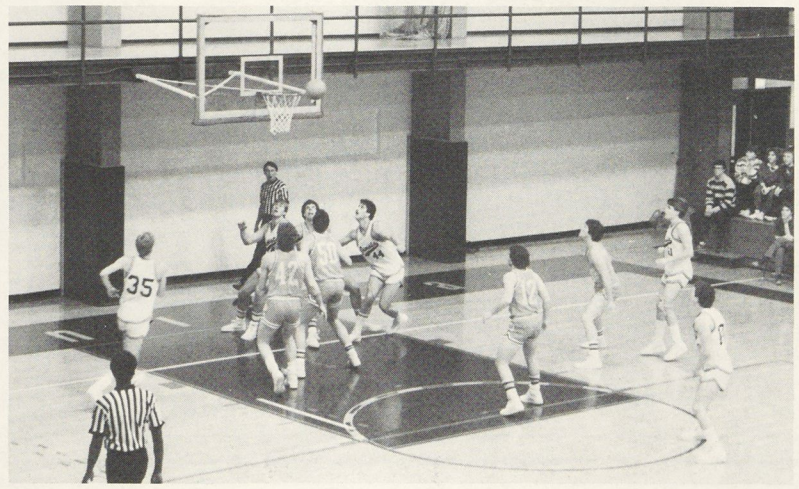

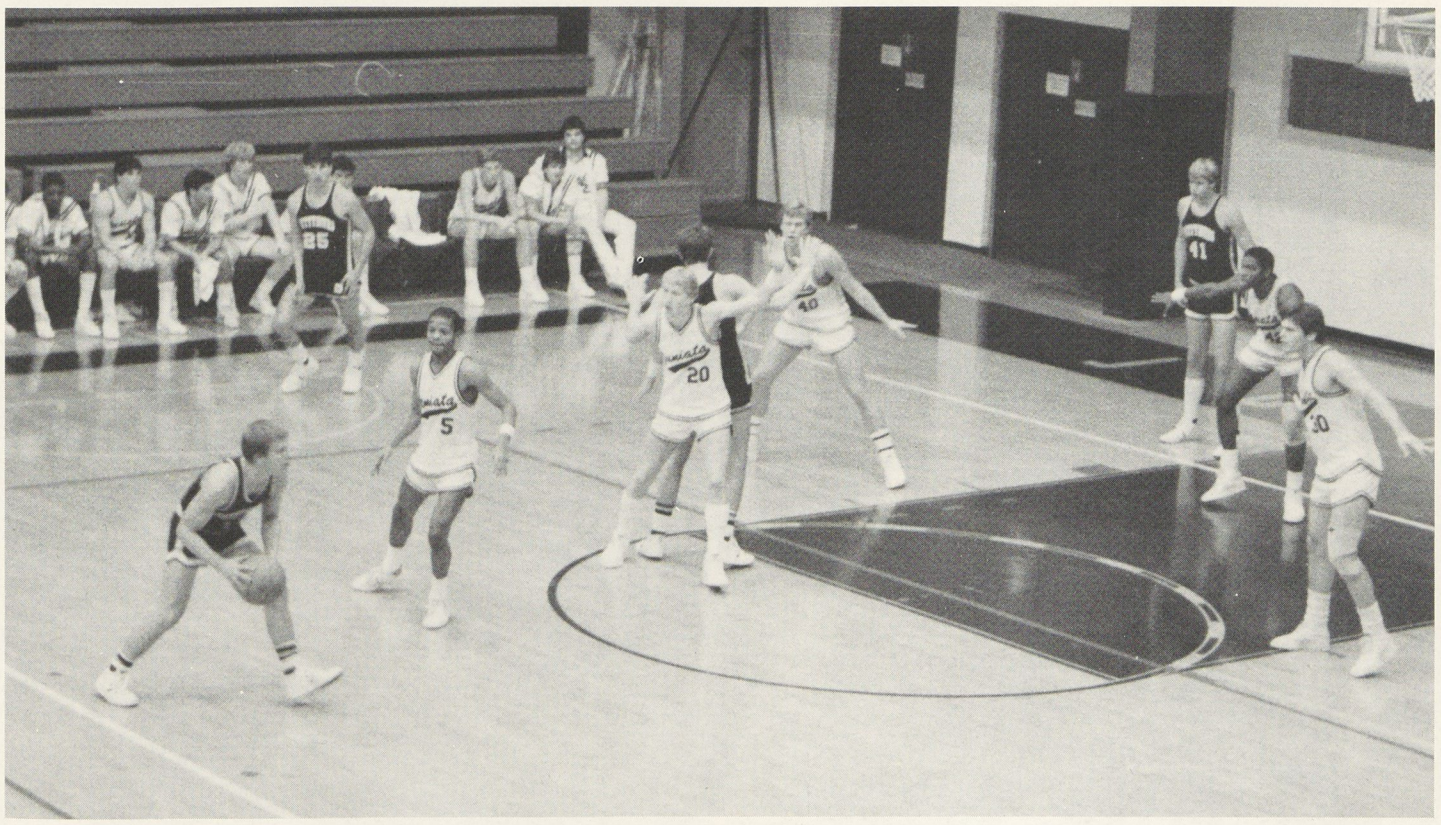

The Men's Basketball team completed a very difficult season, losing 12 games by 7 points or less The Indians finished with a 6-18 record overall and a 3-13 record in league play.

The highlight of the season was center Mark "Rufus"' Ruzinski. Rufus became the first Indian for a men's team to score over 1000 points as well as pulling down 1000 or more rebounds in his college career.

The Indians outlook for next season is good. The team will only loose two players, and Coach Helms will be relying on his experienced players to secure a winning season.
